When faced with a severe weather event, regardless of an official University announcement, the determination of safe travel or other unforeseen situations rests with the individual. Weather in Richmond may be different from weather in another area of the state; employees should coordinate with their supervisors to determine work attendance due to weather-related circumstances. For students, please coordinate with your professors to develop solutions for missed classes or work.

Sometimes the University will be open but will follow the Two-Hour Delay Schedule shown below.

Classes starting at 4:00 and later will be on regular schedule. For example, a Tuesday, 4:00 - 6:45 pm class would still meet 4:00 - 6:45 pm on Inclement Weather Schedule. All E-Presence classes will follow the Richmond Inclement Weather Schedule. If the Richmond campus is closed, ALL EKU regional campuses and site classes are cancelled. EKU classes at **Big Sandy, ECTC, Hazard, MECC, Somerset** and **Southeast** are cancelled if that campus is closed and are subject to the **ECTC/KCTCS/MECC** opening and closing times if applicable.

The Communications & Brand Management Office will notify the campus community in a timely manner of any delay or suspension of University operations during a severe weather event or other emergency. The Communications & Brand Management Office will utilize the following channels to distribute information and communicate with students, faculty, and staff: Rave alerts, Media notification – Television, radio, etc., Website homepage banner (www.eku.edu), Social media graphics and posts
